I'm always looking to create engaging and useful travel content that will be beneficial for both your brand and mine.

Contact me and let's make awesome happen!

## Hi, I'm Samantha!

I'm a twenty-something traveler and writer on the road to living out my wildest travel dreams. Currently back in my home country of Canada, after two years of living and teaching in South Korea.

Expat and the City was created in December 2015 as a guide for wanderlusts and adventure seekers wanting a taste of the city life.
